

WPC UV DIGITAL & TEXTURED DOORS

JAMEX®
PVC-WPC Board and Doors

A promise on Beauty and Strength.

PREMIUM UV PRINTS: High-definition designs that shine with style.

SCRATCH-PROOF TEXTURE: A protective UV layer that safeguards against scratches, keeping the finish fresh.

25-YEAR WPC STRENGTH: Reinforced with **Jamex WPC** material for unmatched durability and screw-holding capacity.

PROTECTION THAT MATTERS: Waterproof, fire-resistant, and termite-proof for every condition.

A promise you can see and trust.
